A Complete Wellness Brand

About

Refresh Mattress

refresh™ is a brand of Prime Comfort Products Pvt. Ltd. It is an ISO 9001:2008 certified manufacturer of high-quality flexible polyester and polyether PU Foam. It has set up a world class manufacturing facility at Greater Noida (Uttar Pradesh) Unit 1 spread over in 30,000 sq. mt. to serve the north and Ahmedabad (Gujarat) Unit 2 spread over in 34,000 sq. mt. to serve the west. Promoted by accomplished foam industry professionals, the company is equipped with state-of-art technology with an annual capacity of 60,000 tons and uses some of the latest equipment such as a Hennecke foaming plant, a 60 Meter loop peeler and many other machines.

Mr. Praduman Patel, the promoter of Prime Comfort Pvt. Ltd. has more than 42 Years Company of industrial experience. With his knowledge and expertise in the foam industry, **REFRESH** Mattress has acquired the capability to manufacture a wide range of mattresses with the highest quality standards.

In order to deliver consistent quality, the quality control system is linked to a strong ERP system that allows to track individual mattresses to its origin and to ensure continual improvement in quality. This ensures customer satisfaction.

Good Sleep Positions

Correct head position | Orthopaedic mattress | Correct fetal position | Correct back position

Manufacturing facility with an annual capacity of 60,000 tons
